Client: RTI/Display Studios

Project: Tradeshow banners

Responsibilities: graphic design, key art development, project management

Client: Louie's Wine Dive

Project: Taco Republic Holiday Catering Billboard

Responsibilities: illustration, graphic design

Background: One of Louie's Wine Dive's properties, Taco Republic, wanted to push thier taco truck catering for the holidays. Which included, this case, a billboard placement.

Client: Parade of Hearts
Project: 2024 Parade of Hearts
Responsibilities: illustration

Background: Parade of Hearts is an annual event in Kansas City, MO as a region wide celebration brought to life through a public art experience featuring heart sculptures by local artists.

In 2024 I was selected among the artists. I wanted to create something in my comic book style, celebrating aspects that made me fall in love with the city.
